of Staff _____ # of Adventurers _____

The highest purpose of having an Adventurer Club is to lead its membership into a growing, redemptive relationship with Christ. Included in its purpose, Adventurers aims to build its membership into responsible, mature individuals and to involve its membership in active selfless service. All Adventurer leaders are Christians, working hand in hand with parents, teachers, and pastors providing optimum opportunities for Christian development. The Adventurers Club is an extension of the home, school, and church.

We wish to apply to be an official Adventurers club in the Montana Conference of Seventh-day Adventists. As an Adventurers club, we recognize the expectations to actively pursue the programs and activities that are a part of Adventurers. These programs include the AY class work, honors classes, and community share-your-faith activities.

We promise to adhere to the policies of the Montana Conference Youth Department and, if we are accepted, to do our best to create an outstanding club. We agree to support our club through those means with which the Lord has blessed this church, including finances, staff volunteers, securing a place to meet, transportation on outings, and other such needs as may arise in the fulfillment of this ministry.
